Nature of Business Relationship with Agency:

BMV partners with Donate Life Indiana for the purpose of identifying volunteer organ donors. If an individual agrees to donate their organs, a marker is placed on their credential. Participant information is then provided to Donate Life Indiana to populate the Indiana donor registry. BMV is statutorily obligated to work with the donor registry and Donate Life Indiana per IC 29-2-16.1-19.

Why acceptance is in the Public Interest:

On Monday, May 24, approximately 6 members of the Indiana BMV team will be supporting a video shoot Donate Life Indiana is filming with the Indianapolis Colts at the BMV Indianapolis-West branch. The purpose of this shoot is to film two videos, one highlighting the impact a donor has when they say yes to organ and tissue donation and the second a thank you video for BMV team members who ask the question during daily transactions. BMV Team Members are required to be on-site from 10:00AM to 4:00PM. Donate Life is providing lunch for all participants on-site, including Donate Life and Colts staff.
